ATTN: STUDENT COUNCIL

Are you hosting a dance, or any event that requires a professional mobile DJ? Make your occasion a memorable one by calling DJ Man Entertainment

Don't waste your precious time calling other, so-called "reliable DJ services", that don't deliver on their promises. We will work with you to **GUARANTEE** the service you receive is exactly what you deserve. And you deserve the finest there is to offer.

DJ Man Entertainment has been providing clients the absolute best experience, throughout Arizona, over the last 7 years. Dollar for dollar, we are the greatest value for your hard earned money. We offer a jam-packed light show, premium sound, a full selection of music, and a stunning video show. No one in Arizona can offer you the same outstanding service at our prices.

Sound Systems

Don't be stuck with a deejay that has high prices and inferior equipment. Make sure you get a list of what they will provide and make sure it is in the contract. We have multiple systems to tailor to your event whether it is large or small, even outdoor events are no problem.

State-of-the-Art Equipment

- JBL Speakers
- Crown Amplifiers
- 5000 Watt Systems
- Digital Sound

Light Shows

Our light shows include: colored dance lights, strobe lights, special effects dance lighting, computer controlled lights, and fog machines. All are housed on 14 feet of trussing, which will be sure to keep the crowd dancing for hours.

Video Show

By far one of the top video displays and shows in the state of Arizona! Don't settle for a *small* video screen when you want a professional show that everyone at your school will be able to see. We have a 10 ft by 10 ft screen that can extend vertically 20 feet. This screen can be front or rear projected so no matter what your needs are we have them covered.

features that come with some of our video packages are:

Live Wireless Video Projection

Wireless camcorder projecting video of dancing, contests, speeches, and more!

Music Video Mixing

Thousands of the newest music videos to choose from all of which are edited for lyrical content. Along with the hottest club style mixing of the music videos.

Lighting Technicians

We have trained video technicians to capture all of your video needs.
